

Set SC-7209

AIRWAVES SEA FURY UNDERCARRIAGE

Set SC-4801

The white metal parts can be cleaned using a fine file and wet and dry paper and can be fixed using superglue or epoxy. Prior to painting ensure that parts are primed using self etching primer or matt enamel. Colouring and final position of parts should be checked against reference material.

Airwaves are designed and manufactured in the Midlands for E.D. Models, 64 Stratford Road, Shirley, Solihull, West Midlands B90 3LP, England. Telephone:- 021-744-7488.
