AIRWAVES

Spitfire H.F. Wings

This accessory pack is manufactured from either polyester resin or cast pewter. To clean part lines on component use the edge of a scalpel blade or fine wet or dry paper. Prime metal parts with self etching primer or resin with matt finish enamel prior to painting. To fix use superglue or 5 minute epoxy. Diagrams are for guidance only. For final position consult reference material.

Airwaves are designed and manufactured in the Midlands for E.D. Models, 64 Stratford Road, Shirley, Solihull, West Midlands, B90 3LP England. Telephone: -021-744-7488.

Airwaves are distributed in the U.S.A. by M.M.D., Squadron Mail Order, 1115 Crowley Drive, Carrollton, Texas 75011-5010, U.S.A. Telephone: - 1-214-242-8663.
